Our Knowledge Partners

From Principal's Desk ....

Dear Parents , Students and Community members

As we draw the curtains on another academic session, it is a moment to reflect on the incredible journey we've shared. This year has been one of remarkable growth, learning, and resilience. We have witnessed not only academic achievements but also the development of character, creativity, and a deeper understanding of the world around us. Every challenge faced and every success celebrated has contributed to the broader picture of education, which extends far beyond the classroom.

Education is about more than simply acquiring knowledge; it is about fostering a mindset of curiosity, critical thinking, and continuous growth. It is about building values of empathy, responsibility, and integrity—qualities that will guide students throughout their lives. Each lesson learned, each experience gained, helps students become not just scholars but thoughtful, well-rounded individuals who are prepared to make a positive impact on the world.

This newsletter serves as a glimpse into the day-to-day activities and achievements of our students, highlighting the vibrant and dynamic learning environment we strive to create. It showcases not only academic progress but also the diverse range of activities that support the overall development of our students—be it in sports, the arts, leadership, or community service. These experiences are key to shaping well-rounded individuals who are ready to take on the future with confidence and compassion.

As we look ahead to the next session, let us continue to embrace the transformative power of education, ensuring that each student is equipped not only with knowledge but also with the skills, values, and confidence to thrive in an ever-changing world.

Warm regards,
Yogeshwari Rathore
Principal

SCIENTIFIC STRIDES

Senior Bal Vigyan

Medi-Caps International School excelled at the Dr. B. K. Passi Memorial Sahodaya Senior Bal Vigyan Competition, winning all 7 awards. Highlights included top honors in Computer, Biology, and Maths.

Junior Bal Vigyan

Medicaptains' innovative idea won the Best Idea Award at the Dr. B. K. Passi Memorial Junior Bal Vigyan Competition (2024-25).

Sports Achievements

School has shown exceptional sports achievements this year, with students excelling in various competitions and demonstrating remarkable teamwork and determination. These accomplishments reflect the spirit of discipline, perseverance, and excellence fostered within our school community.

Peek a boo to Pre Primary activities

Wonders Of Science

The event for Nursery to UKG focused on introducing young children to the Wonders of Science through interactive activities and engaging learning experiences. It sparked curiosity and excitement about the natural world, encouraging early exploration and discovery.

Children's Day

was filled with fun activities, games, and performances, celebrating the spirit of our young ones. A heartfelt thank you to the children for making the day unforgettable!

Diwali

Diwali was celebrated by Nursery to Class II with rangoli making and a special assembly, symbolizing the victory of light over darkness. The event was filled with joy, love, and togetherness.

Peek a boo to Pre Primary activities

Christmas

Christmas was joyfully celebrated by Nursery to Class II with festive decorations, gift exchanges, and special meals. The day was filled with love, togetherness, and the spirit of giving.

Spell Bee

The Class II Spell Bee Competition was a thrilling showcase of talent, with intense rounds and a final buzzer challenge. Congratulations to the winners and all participants for making the event a success!

Solar System Activity

The activity brought the universe to life as children dressed as planets, confidently sharing fun facts about each one. Highlights included learning about the Sun, Earth's rotation, and exploring unique planet features in an educational and exciting way!

Seminar on pollution

Class 1 students at Medicaps International School impressed at the Inter-Class Seminar on Pollution, sharing insights on environmental issues through posters and models.

Pathway to Primary activities

Carol Singing

The Class 4 Carol Singing Competition brought festive cheer with harmonious singing and creative presentations, making it a lively and memorable event.

Debate Competition

The Class 5 debate showcased talent and critical thinking, as students passionately discussed thought-provoking topics with confidence

Fireless Cooking

Young chefs displayed creativity by preparing fireless dishes like fruit salads, sandwiches, and smoothies, highlighting their culinary skills.

Pathway to Primary activities

Gurupurab Celebration

The Gurupurab event was celebrated with devotion, featuring Shabad Kirtan, a Prabhat Pheri, and beautiful decorations honoring Guru Nanak Dev Ji.

Makar Sankranti

Makar Sankranti was celebrated with a unique activity where students crafted colorful kites and shared positive qualities about each other, promoting friendship.

National Constitution Day

Student 4 held a special assembly to honor the National Constitution, featuring skits and speeches about fundamental rights and Dr. B.R. Ambedkar's contributions.

Nukkad Natak

The Nukkad Natak during the carnival focused on road safety, using humor and powerful messages to raise awareness about safe driving habits.

Marvels of Middle Block

Fireless Cooking Competition

Students showcased culinary creativity with dishes like raw vegetable lasagna and fruit tarts, impressing everyone with their innovative, heat-free creations.

Ad Mad Show

Participants in the Ad Mad Show displayed their marketing skills by crafting humorous and original ads, entertaining the audience with their creativity.

Maths Quiz

The Maths Quiz challenged students' numerical and problem-solving skills, showcasing their enthusiasm and talent in tackling tough questions.

Spell Bee Quiz

The Spell Bee Quiz featured impressive spelling skills, with students confidently tackling challenging words in an educational and fun atmosphere.

SPECTACLES OF SENIOR BLOCK

Tag Board Competition

The interclass Tag Board Competition on the theme "New Year" saw enthusiastic participation from 9th and 11th-grade students, fostering excitement for the New Year celebrations.

Best Out of Waste Competition

Students in grades 9th and 11th showcased creativity and eco-consciousness by turning discarded materials into functional or decorative items, promoting sustainability.

"Prayaan" - Farewell 2025

Medi-Caps hosted a heartfelt farewell for Twelfth Grade students, with special guests Mr. Saurabh Mantri and Retired Lt. Col. Mrs. Virmati Sihag, celebrating their achievements and memories.

Trip to Rann of Kutch

Students from Classes VI to XII embarked on an exciting tour to the Rann of Kutch, exploring its unique landscape and vibrant culture. The trip included activities like camel rides, traditional crafts, and stargazing in the breathtaking desert.

" Discipline Helps Me"

Discipline is a thing that helps us to stay focused ,
follow rules and do the right things even when we don't like it.

Discipline is a friend who stays,
Helping me on life's busy days.
When I feel tired or want to play,
It whispers, "Keep going, you'll find your way."

It teaches me to focus and try,
To keep my goals and dreams alive.
It shows me that success comes with time,
And that every effort is worth the climb.

Discipline isn't strict or cold,
It's a guiding light that helps me grow old.
As I walk this path, I see a brighter day,
Where my dreams and hopes will find their way.

AARAV BHANDARI
Class : 7D

I Sing For My Pen

Inkwell's kiss, a whispered sigh,
Pen on a page, a teardrop dry.
Across the lines, a tale unfolds,
In graceful curves, a story's told.

From heart to hand, a silent plea,
Words take flight, for all to see.
A silent scribe, a loyal friend,
Until the very ink shall end.

Slender form, a grip so worn,
Ink flows forth, thoughts are born.
Across the page, a dance it weaves,
Ideas sketched, stories conceived.

Utkarsh Dwivedi
Class : 7D

See The Bug

See the bug on the rug.
I will give his legs a tug.
See him run,see him go.
He did not like it, no! no !
See him hop,on the mop. see him hide,make me stop.
I will stop, I will not tug. You are safe, little bug ....

Chirag Vaswani
Class : 5E

The Timeless Chase

Day one,blank page in the sky,
A hopeful dawn and a spark to try
The sun ascends with the promise bright,
And whispers of dream in morning light

Step by step,the journey starts,
With trembling hands and eager hearts
Uncertain roads and wind that sway
Yet each new hour bring chance to play

Then comes the thought of 'one day' ahead
When struggle pass,and doubts are shed
The seed of now may one day bloom
In the garden of hope,where dreams come true

Day one the start of all that new,
One day the place where dreams come true
Between them lies the path we trace
A dance of time and a timeless chase.

My Experience of Army Infantry

Our school organised an educational trip on 27th August 2024 in army infantry Mhow, so we visited there. We enjoyed ourselves so much in the bus till we reached the infantry. I was the volunteer of my Class Section to arrange students in a line. There, I saw many types of arms, such as machine guns, snipers, bombs, etc.

I have also seen the map of the Indian Army for our country. I met a real army man who was tall and tough in Physique. The soldiers were very disciplined as they were punctual and dressed in neat and properly ironed uniforms. And we were walking and standing in the proper posture .I got very impressed with them I also want to be like them and one day I will also join the Indian Army. I am very thankful to the director, principal, coordinator and teachers of our school for organising such a memorable trip.

Ronak Thakur
Class : 8C

Time

Time - the golden entity,
Should be handled with care!
If not to worry or hurry.
One who respects it,

Attains wisdom.
Others who don't ;
Have to regret later.
Most crucial thing is time,

Could take us to 'success heights'
Or if not respected, deep as mines.
Use the formulas:-
5p's,4 d's and 888

To make the most of your time,
To succed in life,
To shine bright,
And fly up high!

4 D'S RULE:-

- **Delete negativity!**
- **Delegate your work!**
- **Defer from the crowd!**
- **Do the best!**

888 rule ;-

- **8 hours of sleep**
- **8hours of hard work**
- **8 hours of creativity**

We do a million tasks a day

TIME MANAGEMENT

To be a skilled person and perform all these tasks with ease,
Time management is crucial!

"we could be master of our day through this"

PRIORITIZE, PLAN, PREPARE , PACE & PERSIST

Follow the golden Rule

"Each & every second is crucial"

Jalaj Yele
Class : 7D

The Power of Teachers

A teacher's Heart is full of cheer, guiding minds, year after year. With patience ,kindness and gentle care, they help us grow, and show us how to share.
Through laughter and tears, they stand by our side, A constant presence,a guiding light to a bide. Their impact is felt , long after we roam, A teachers in fluence forever a part of our home.

Darsh Prajapati
Class : 3D

My First Day in School

My first day at school was both exciting and a little scary.I woke up early, dressed in my new uniform, packed my bag with fresh books , pen and pencils. As I walked into the big School building I felt nervous but I was also curious about what I would learn. The classroom was bright and filled with other kids, some smiling some just as nervous as me. Our teacher was kind and made us free welcome. By the end of the day I had made a few new friends and could not wait to go back to school next day. Welcome let's do great things.Hey there, welcome! we are about to make your day a little brighter.

Burhanuddin Jamali
Class : 5C

Summer Vacation

In one summer vacation, My dad bought a PlayStation.
We played with it together for a while, which made my face wear a cute smile.
Life is like a PS4. Sometimes you win, sometimes you lose. But if you are a sport.
You will never get bore. Moral Combat, Soccer and uncharted are so joyful.
That makes my day cheerful.

HITANSH BADLANI
Class : 3E

Tick Tock, Tick Tock

Tick Tock, Tick Tock.
All the day goes the clock. Why does time run so fast? With my friends, I want to talk. Time just slips out of my hands.
I want to stop it with a "lock". I tell you, friends, take care of time.
As it is not a silly rhyme. And soon, it will be you who will "shine".

Anaya Yewalkar
Class : 4B

ENLIGHTENING EDUVENTURES

Mufasa Movie

Students of Classes 3 to 5 enjoyed the heartwarming movie Mufasa, which inspired them with themes of courage, leadership, and family values.

Gaushala Visit

Class 4 students visited a Gaushala to learn about cow care, their agricultural importance, and their role in maintaining ecological balance.

Pagdandi Eco Farm

Nursery to UKG students had a delightful adventure at Pagdandi Eco Farm, exploring animals and enjoying nature and bird watching.

Army Marksmanship Unit Visit

Class 8 Medicaptains spent two days at the Army Marksmanship Unit MHOW, witnessing live precision shooting and learning marksmanship fundamentals.

PARENTS AS PARTNERS

The "Parents as Partners" assembly at school emphasized the vital role of parents in their children's education and development. It encouraged collaboration between parents and teachers to create a supportive learning environment.

Pre Primary

Primary

Middle Block

COMMUNITY CONNECTIONS

"Ek Mutthi Anaj Ki"

An AFS initiative, was held at the school to collect daily grocery items and distribute them to those in need. The event highlighted the spirit of community service and helping others.

Indore Climate Mission

Medicaptains joined the Indore Climate Mission, pledging to save electricity and actively campaigning at traffic signals to raise awareness about energy conservation. Their efforts aim to inspire the community to take part in environmental protection.

INSPIRING INITIATIVES

AFS Annual Volunteer Meet

Medicaps International School hosted the AFS Annual Volunteer Meet, fostering collaboration and knowledge sharing among volunteers committed to global exchange programs.

CBSE Heritage Quiz

The CBSE Heritage Quiz, organized by Medicaps International School, brought together students to test their knowledge on India's rich cultural heritage and history.

Visit From Foreign University Delegates

Medicaps International School facilitated a foreign university visit, offering students valuable insights into international education opportunities and global career paths.

University Fair

The University Fair, hosted by Medicaps International School, provided students with the chance to explore various higher education options and engage directly with university representatives.

ANNUAL FIESTA

Medicaps Annual Fiesta - Anandotsav

The Medicaps Annual Fiesta, Anandotsav, was a vibrant celebration that brought together students for a day of cultural performances and joyful activities.

Ras Rangotsav - Celebration of Emotions (Class 2)

Class 2 students at Medicaps celebrated Rasrangotsav, a colorful and heartfelt event where they expressed different emotions through vibrant performances and artistic expressions.

Ahilya Saga (Primary Block)

Under Anandotsav, the Primary Block students presented "Ahilya Saga," a captivating performance that celebrated the life and legacy of Ahilya Bai Holkar, inspiring young minds with her courage and leadership

Shaheede Azam Bhagat Singh (Middle Block)

Middle school students at Medicaps honored the legacy of Shaheed-e-Azam Bhagat Singh, with a tribute performance that highlighted his bravery and patriotism in India's struggle for independence.

SPORTING SPOTLIGHT

The Annual Sports Day

The Annual Sports Day for Pre-Primary and Primary students at Medicaps was a fun-filled event, where young athletes showcased their skills in various exciting games and activities. The day encouraged teamwork, sportsmanship, and a spirit of healthy competition among the students.

CREATIVE CONVERGENCE

The Science and Art Exhibition at the Primary Block of Medicaps showcased the creative and scientific talents of students through innovative projects and artistic displays. It provided a platform for young minds to explore and present their understanding of science and art in an engaging way.
