PRINCIPAL'S DESK

Message

Dear Parents,

Success comes to those who work hard and stays with those who don't rest on past laurels... Each issue of Chirp is a milestone that marks our growth, unfolds our imaginations, and gives life to our thoughts and aspirations. It unleashes a wide spectrum of academic and co-curricular activities organized during the period. Our students have been bringing laurels to the school year after year. This issue too has glimpses of our Medi-Captains' flights.

I am truly glad to see that our students are making the most of what they are getting. The innumerable opportunities which our Medi-Captains are getting at MIS, are helping them in whetting their skills and maximizing their concerted efforts to harness their latent talents. I am sure this will help them to be competent enough to stand tall amongst others with extraordinary skills and come out victorious from the realms of the challenging paths of life.

I laud all the school staff members for their ardour and zeal with which they are helping us in realizing the goals of our mission. I am grateful to the parents for their unflinching faith in us. Because of this faith only we have touched the strength of **3000+ students**. And of course the place of pride belongs to our ever enthusiastic, receptive and brilliant Medi-Captains. I can say without any iota of doubt that we'll continue our success streak with the leadership **of the students, by the students and for the students.**

INVESTITURE CEREMONY

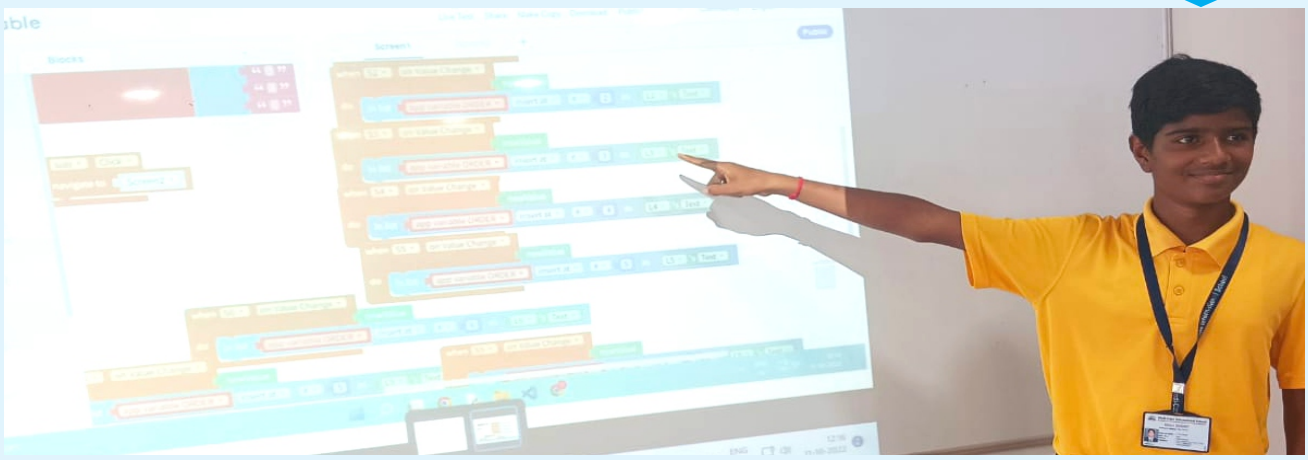

In order to inculcate leadership qualities, in our students, the school council was formed on August 15, 2022. The investiture ceremony signified the reliance and confidence that the school consigns in newly invested office bearers.

Technology is designed to be as limitless as the child's imagination. The power and flexibility of iPads have given our students the freedom to explore and express new ideas whenever and wherever the inspiration strikes them.

SPLASH POOL

Water play activities strengthen children's motor skills, build balance and develop their ability to propel and navigate. To enhance the same, a Splash Pool Party was organised.

SELF ESTEEM

A self confident child is more likely to be optimistic and motivated. He/She has a ''can do'' rather than a ''can't do'' attitude towards classroom learning and education. Our medi-captains participated in various activities enthusiastically and exhibited their self confidence.

SOLO DANCE

The vivacious dancers of Primary Block set the floor on fire with their energetic performances at the Inter House Solo Dance Competition.

SPELLATHON

Language plays an important role in all round development of a student, for which an inter house Spellathon activity was conducted for students of grade III-V.

STORY TELLING COMPETITION

Storytelling is the oldest form of education. Our young story tellers exhibited this art by showcasing some of the best stories with moral and cultural values through a story telling competition.

EARTH DAY

The greatest threat to our planet is the belief that someone else will save it. The Earth Day activity was organised to educate students about what we have and what we are losing by acting in ways that aren't environmentally friendly .

MATHS QUIZ

As a part of extended learning, Maths Quiz was conducted in our school. The Quiz helped the students to exhibit their practical knowledge and mathematical skills.

KAVI SAMMELAN

The emerging poets of classes VI to VIII competed in Hasya Kavi Sammelan competition. The hilarious poems brought smiles on everyone's face.

POSTER MAKING

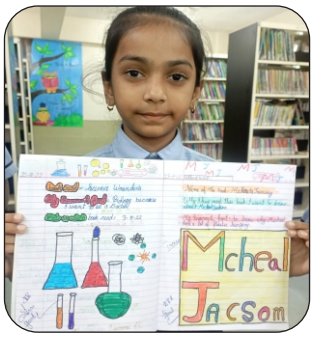

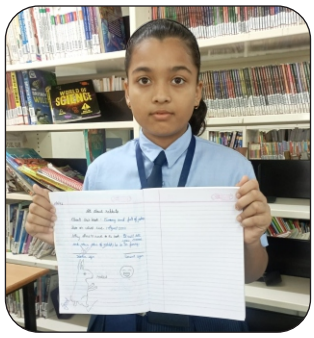

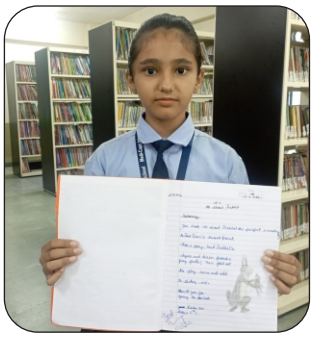

An Inter-House Poster Making Competition was organized to ignite the fire of imagination and creativity in the students. The themes of the competition were **'Independence Day'** and **'Raksha Bandhan'**.

BOOK REVIEW

Book review is a descriptive and critical/evaluative account of a book. It provides a summary of the content, assesses the value of the book, and recommends it (or not) to other potential readers. Students tried their hands on this art and presented some beautiful book reviews.

GANESHA IDOL MAKING

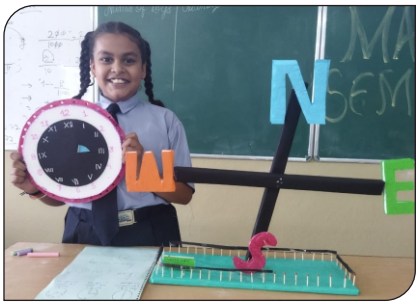

Lord Ganesha symbolizes wisdom & understanding that one must possess to attain perfection in life. Students of Classes VI and VII actively participated in the Ganesha Idol Decoration Competition.

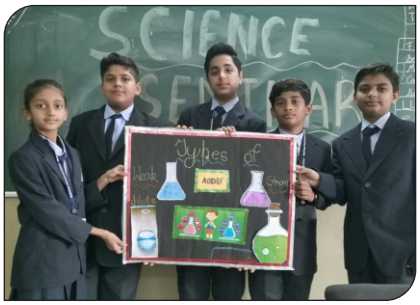

NATIONAL SPORTS DAY

National Sports Day was celebrated to commemorate the birthday of Indian hockey legend Major Dhyan Chand with the motto to promote awareness about the significance of sports.

SEMINAR PRESENTATIONS

Presentation is the key to express one's ideas. Students of middle block presented their seminar for various topics under Mathematics, Science, Hindi, EVS and other subjects.

IIT INDORE VISIT

Experiential learning is transforming theory into practice. Our students were taken to IIT, Indore so that they can connect the theories from books to the machines. Students were engaged in hands on experience and reflection.

AFS ACTIVITIES

Cultural exchange programmes not only propel students to understand the diversity of the country, but also make them learn how to co-exist and feel compassionate for different communities around . It helps in transition of eager young minds into caring, socially conscious global citizens.

MEDI-CAPS UNIVERSITY VISIT

Our senior students visited the Medi-Caps University campus and interacted with faculties to understand the opportunities and technologies of the future. Various Hi-Tech machines and robotics lab were demonstrated to them.
